Right before
his younger

he was hit by
the famous
long-haired

photographer!

This situation
feels completely like
a lovers quarrel!

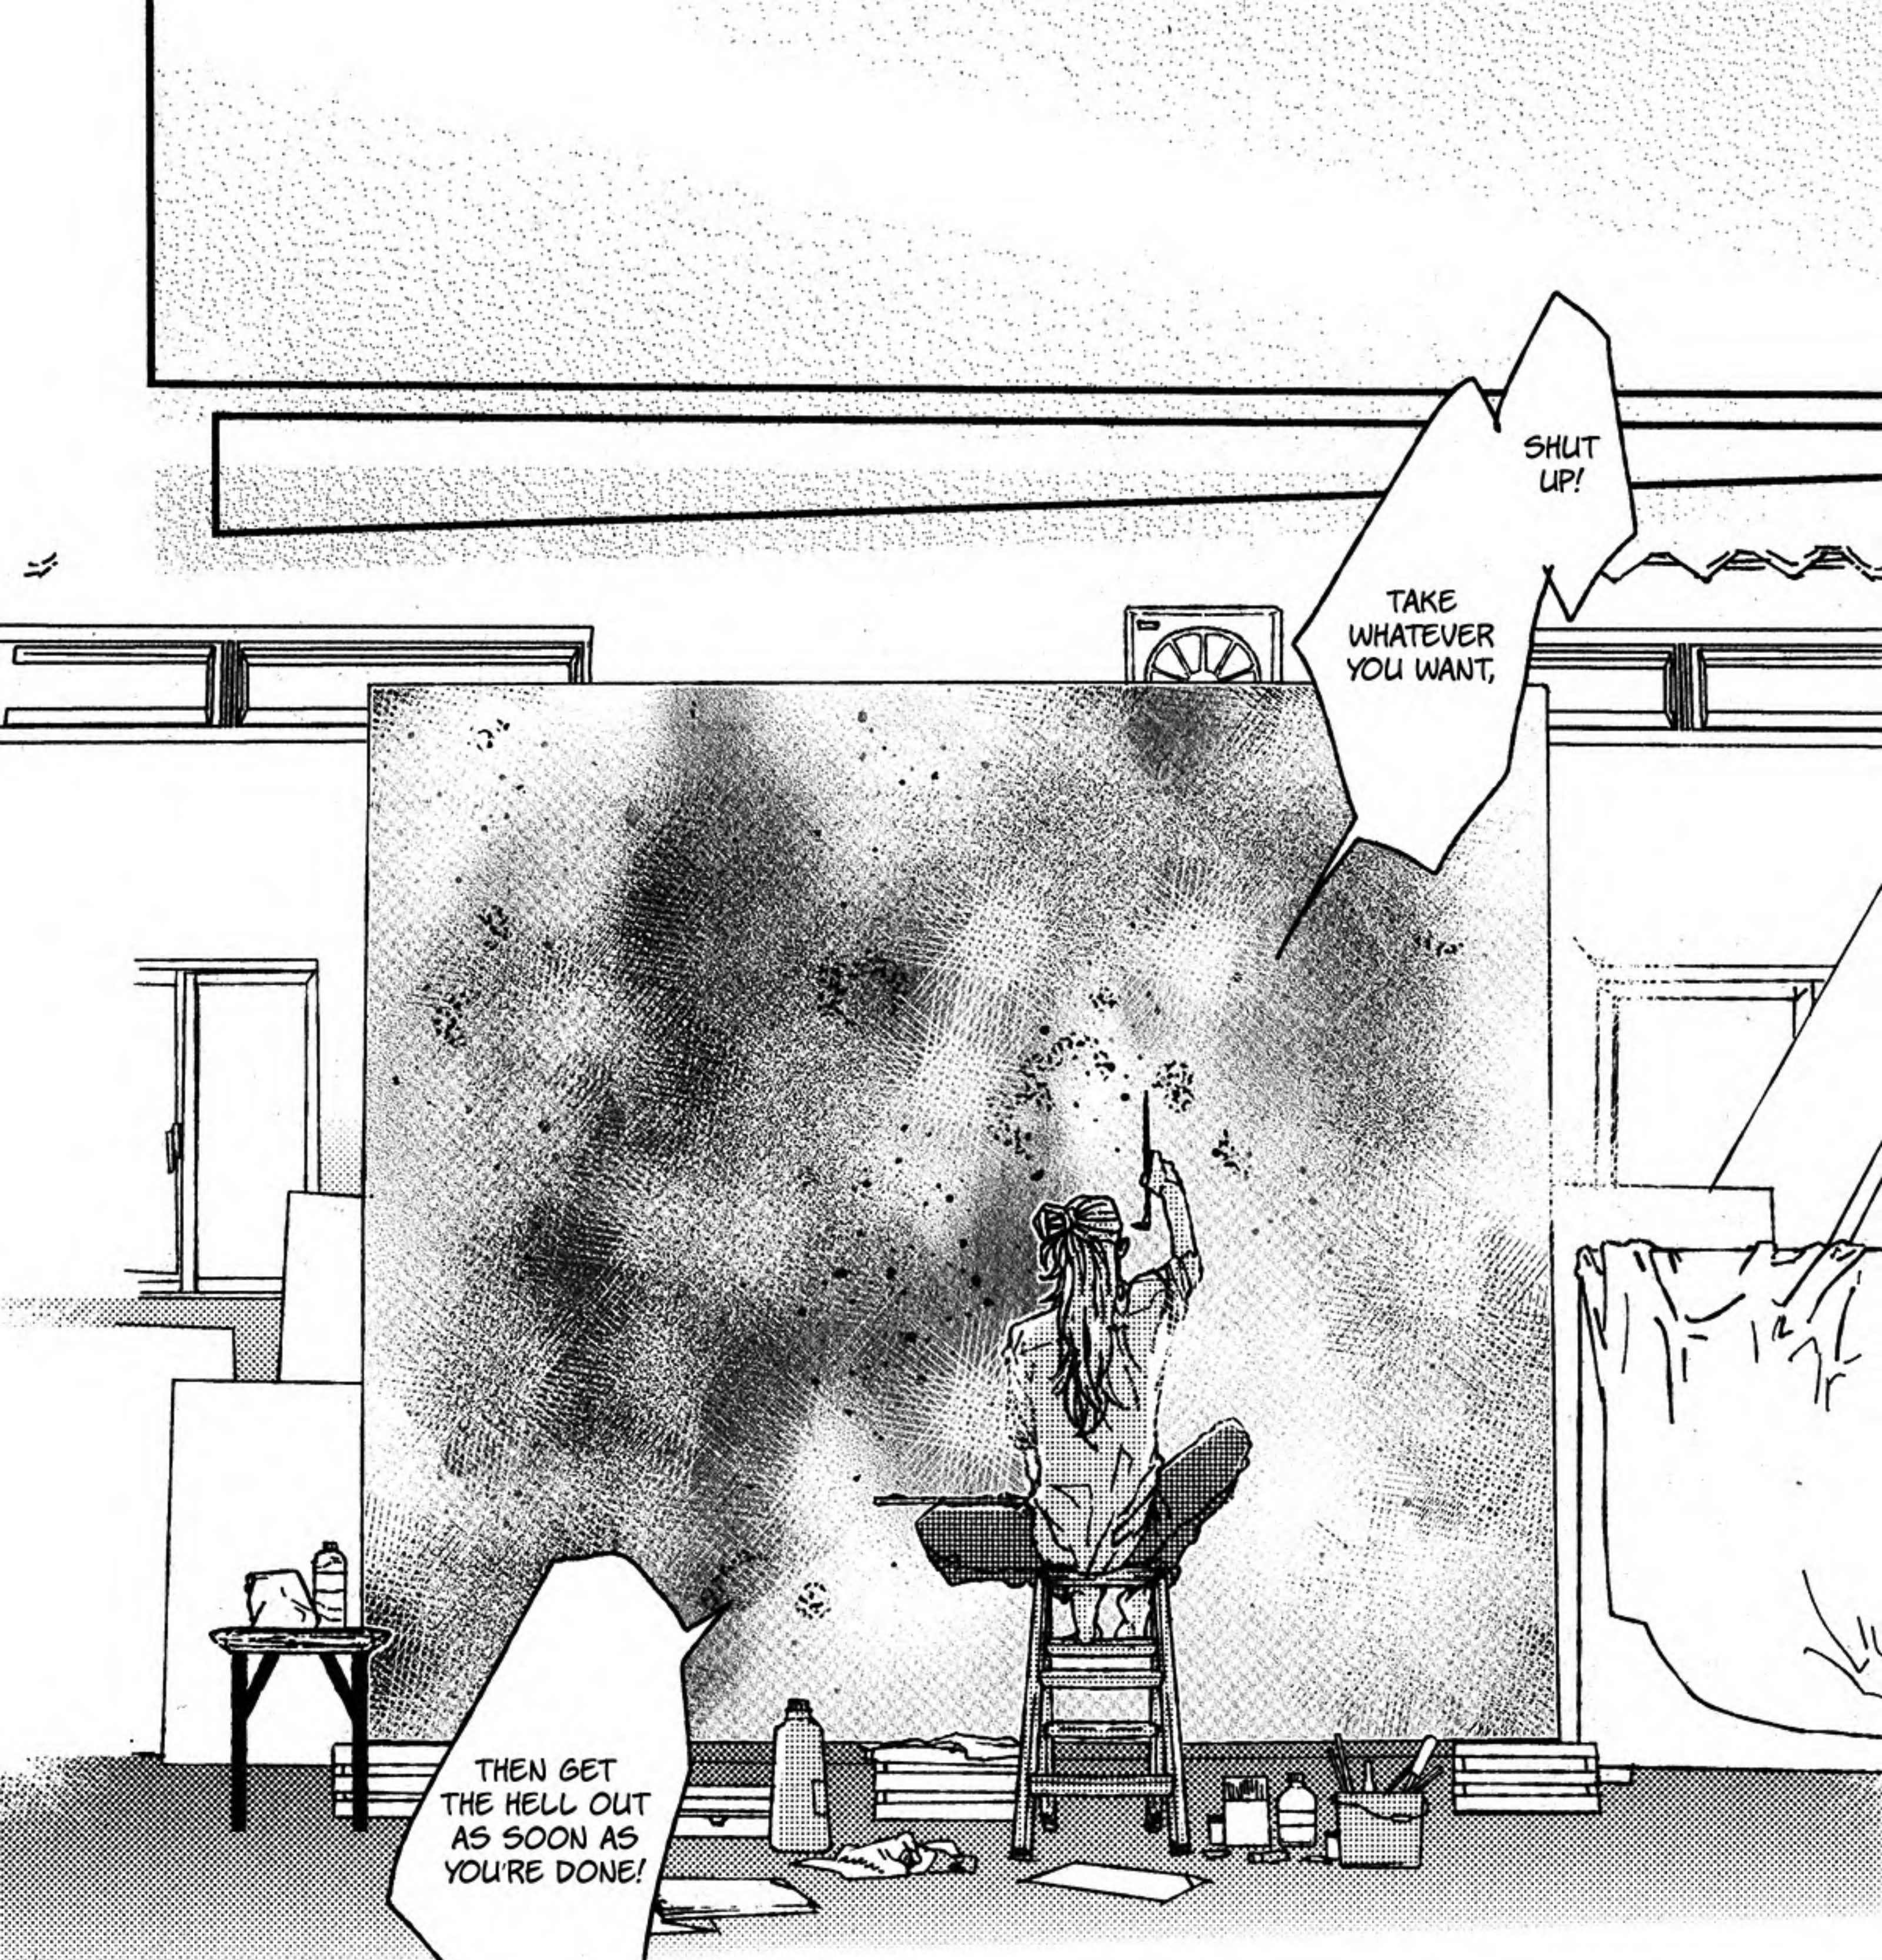

As a younger brother,
what am I supposed
to do?!

The
unfulfilled
love of the past
crosses paths with
the love that has
held on all this
time, the second
chapter.

Story: middle schooler - Kunishige Yuu is living with his older brother - Gaku, without their parents. One day, he filched the invitation card to the photographer Kurushima Hodaka's exhibition that was sent to his brother and went there with his childhood friend - Umeko. They were approached and asked to model by Kurushima himself. Yuu sensed that there was something between Kurushima and his brother in the past so he was going to refuse but just as he was about to do it, Kurushima came to his house and hit his brother after they ran into him...

...THIS IS...

...REALLY BAD, EH?

NORMALLY THIS WOULD BE AN ASSAULT, RIGHT?

AND YET... WHAT'S WITH...

EXCUSE ME, IT'S KUNISHIGE.

FOR THAT REASON, I'LL BE AT THE COMPANY...
